LOCAL BRIGADE

EVACUATION CHECKLIST

BE READY. LEAVE EARLY. STAY SAFE.

EVACUATION WARNING = GET SET TO LEAVE | EVACUATION ORDER = LEAVE NOW

A simple evacuation plan helps you act quickly and calmly during a wildfire. Know what to pack, how to prepare your home, and where to go before a warning or order is issued.

WHAT TO DO

1 SIGN UP FOR ALERTS

Register for emergency notifications and monitor fire and weather updates.

2 PACK YOUR GO BAG

Bring medications, IDs, chargers, water, clothes, cash, and important documents.

3 PREPARE FAMILY & PETS

Plan where to meet and be ready to assist pets, children, seniors, and anyone needing extra help.

4 READY YOUR HOME

Close windows and doors, shut the garage, and bring in outdoor items if time allows.

5 KNOW ROUTES & LEAVE EARLY

Have primary and backup routes, keep your vehicle fueled, and leave early when advised.

VEHICLE READY

Park facing out • Keep keys handy • Keep fuel in the tank

STAY INFORMED WEBSITE

LOCAL BRIGADE

RED FLAG

HIGH WIND EVENTS

STRONG WINDS. DRY CONDITIONS. HIGH FIRE DANGER.

A Red Flag Warning means that weather conditions are expected to produce a high risk of wildfires.
Be aware, be prepared, and help protect our community.

WHAT YOU CAN DO

1 REMOVE COMBUSTIBLE MATERIAL AROUND THE HOUSE

Clear leaves, firewood, doormats, cardboard, and other flammable items from around the home.

2 MOVE TRASH CANS & OUTDOOR FURNITURE INSIDE

Bring in patio cushions, lightweight furniture, umbrellas, and trash cans.

3 CLOSE ALL WINDOWS & DOORS

Help keep embers and smoke from entering your home.

4 REVIEW YOUR EVACUATION PLAN

Know your routes, parking locations, and communication plan in advance.

5 STAY INFORMED

Monitor local alerts and weather forecasts. Sign up for emergency notifications.

LOCAL BRIGADE

HOME IGNITION ZONE ASSESSMENTS

One-on-one wildfire education and science-based guidance for your home.

Learn what we observe, why it matters, and which improvements can reduce wildfire risk. You'll leave with a clearer understanding of your home's vulnerabilities and a confidential personalized report, typically within 24 hours.

ALL INSPECTIONS ARE PERFORMED BY

NFPA CERTIFIED

WILDFIRE MITIGATION SPECIALISTS

WHAT YOU CAN EXPECT

1. **WALK THE PROPERTY** — Review the home, surroundings, and ember-vulnerable areas together.
2. **ONE-ON-ONE EDUCATION** — Learn what we see, why it matters, and how risk can be reduced.
3. **CLEAR RECOMMENDATIONS** — Get practical guidance tailored to your home and property.
4. **PERSONALIZED REPORT** — Receive a confidential report, typically within 24 hours.
5. **INFORMED DECISIONS** — Take action at your own pace and within your budget.

COST & SCHEDULING

- Assessments are currently provided free of charge.
- Use the sign up link or QR code to choose a time that works for you.
